### Notes from President Elaine Stevens

Well, another month is over. The holidays are just around the corner, and I am not ready mentally or physically. This is the time of year that stress and depression tend to surface. Please be sure to take time for yourself and stay healthy. Homemakers is going to have a busy year coming up. We have the bazaar in November; great toolbox sessions from horticulture; specialty clubs getting busy; cultural arts to prepare for judging in March; State Meeting in May; fair in June; and the Area Annual Meeting to host in September or October; and many more things that I have most likely let slip my mind.

Be sure to watch the calendar of events in the newsletter so you don't miss out. Happy Fall!!!

Over the next several months we are asking all clubs and specialty clubs to take pictures during their meetings and activities. We will be compiling these pictures to make a display for the state meeting in May. We can also use this display as part of a membership drive.
